Cassette/FOUP Washers

www.WetBenchUSA.com

3DPlus Box Washers accommodate Cassettes, Pods, Boxes, and FOUPs of all standard sizes. Typical 1 hour process includes hot DI spray wash followed with hot N2 blow dry. IR Lamp heating may be added as a drying option. 3DPlus has USA based field service and support.

Several models available with varying capacities, footprints, and capital costs. Shown above, 36ea 200mm cassettes per run.
